#1: "Around the World in 5 Days" - June 15-19
Have you ever wanted to travel around the world? Come with us on a whirlwind adventure exploring 5 different countries in 5 days. We'll sing songs from around the world, talk about different cultures and make art projects with a foreign flair!

#2: "Wild, Wild West" - July 13-17
Howdy partner! If you've ever dreamed of living in the wild west, now is your chance. Join us as we experience what life was like back in the good ol' days. We'll sing cowboy songs, check out an old ghost town and see a tumbleweed or two along the way. Giddyup!

#3: "Rock & Roll Through the Four Seasons!" - July 20-24
We will sock hop in the spring, sing like the Beach Boys in the summer, act like rock stars in the fall, and finish the year - or week - by forming our own band to keep us sizzlin' hot in the cold winter months!

#4: "Summer Camp Campout" - August 10-14
Let's go camping! Come with us on a fun-filled adventure as we discover the joys of camping. We'll "sleep" in a tent, sing campfire songs and use our binoculars to spot wildlife in the great outdoors. Grab your backpack and come along!

Highlands Preschool 2009 Summer Camp Details

Please review the following information in your preparation for camp:

Arrival and Pick-up

- Camps run Monday through Friday, 9 am to 12 pm. Extended care is NOT available, so please arrive promptly to pick up your child.
- Camps will meet and dismiss from our front door. All children must be walked to, and picked up from, the front door. Please do NOT send your child into the building unaccompanied. All other doors into the building will be locked.
- Teachers will only release your child to you or another person listed on the Registration Form. If anyone else will be picking up your child (including another child's parent), you must notify the school in writing.

How to Prepare

- Please send your child in washable play clothes. Summer Camp is creative and fun; children may get glue, paint, sand or water on them!
- Please, NO flip flops! Sandals with straps on the back and other shoes that stay secure are appropriate.
- Please apply sunscreen on your child each morning before arriving at camp. Teachers cannot be responsible for applying sunscreen on children once camp has begun.
- Please do NOT send your child to camp if they are ill.
- Please be sure to put your child's name on all items, such as lunchboxes, jackets, etc.

Snacks

- There is a 15-minute snack time each day. Please send your child to camp with a nutritious snack. **Please leave sweets and any food containing peanuts at home.** Highlands Preschool is a peanut-free school.
- **Highlands Preschool will supply bottled water to all children.** Please do not send additional beverages with your child; we cannot allow milk or juices in the building due to the carpeting.

Contacting Us

Because the only on-site staff is our teachers, it is important to keep phone calls and other distractions to a minimum. Therefore, the preschool has two phone lines:

- **425-255-9422** — This main line connects directly to a message service. Use this line to leave a message whenever you have registration, tuition, or other administrative questions.
- **425-255-3833** — This classroom line connects directly to the teachers. Use this line only when you need to speak directly to a Summer Camp teacher between 9 am and 12 pm.
